## **Negotiations Update – September 27<sup>th</sup>, 2007**

### **To all Members**

This is to advise all concerned that the TCRC negotiating team and representatives of the Corporation resumed contract negotiations September 24<sup>th</sup> through 27<sup>th</sup> in Edmonton.

Considerable time was spent clarifying numerous demands served on the TCRC. Both parties have numerous demands on the table and costing is underway regarding several key issues including our benefit and pension proposals.

The Corporation was clearly advised that they had already implemented certain changes without agreement. As a result we are currently working with counsel to ensure the appropriate steps are taken to counter the Corporation's actions.

We are scheduled to resume bargaining in Montreal the week of October 15<sup>th</sup>.

Your continued patience and support is appreciated

Future updates shall be posted.

Fraternally and in Solidarity,
